How can we help?
Life can be complicated. With MHN, getting help is easy.

Your EAP is here to help with life’s many challenges. MHN provides the following services, paid for by your employer.

Clinical support
Are problems in your life getting you down? Call us anytime, and an intake representative will talk with you and help you find a licensed professional who can help. We are available 24/7 to help you with:

- Marriage, relationship and family issues
- Problems in the workplace
- Domestic violence
- Alcohol and drug dependency
- Stress, anxiety and sadness
- Changes in mood
- Grief and loss
- Responses to traumatic events

There are three ways we offer clinical support:

1. Face-to-face counseling – Talk in person with a provider (a marriage and family therapist or psychologist, for example) from our network. We can offer a referral when you call us, or you can search for a provider on our member website.
2. Telephonic consultations – Very convenient and private
3. Web-video consultations – Convenient and easy, but with a personal touch

Work & life services
Our experts can help you balance your work with your life! Call us for:

- Childcare and eldercare assistance – We’ll find out what kind of help you need caring for children or elders in your life. Then we’ll give you names and numbers of providers.
- Financial services – Talk to an advisor over the phone about:
  - Budgeting
  - Credit and financial questions (investment advice, loans and bill payments not included)
  - Retirement planning
  - Tax issues
- Legal services – Talk to a professional over the phone or face-to-face about:
  - Civil, consumer and criminal law (medical malpractice cases and disputes or actions between members and their employers or between members and MHN are excluded)
  - Personal and family law, including adoption, divorce and custody issues
  - Financial matters
  - Business law

- Identity theft recovery services – We’ll give you information on ID theft prevention, plus an ID theft emergency response kit. If your identity is stolen, a fraud resolution specialist can help.
